

Radleys Primary School

Purpose of funding

Schools must spend the additional funding on improving their provision of PE and sport, but they will have the freedom to choose how they do this.

- Possible uses for the funding might include: Hiring specialist PE teachers or qualified sports coaches to work with primary teachers when teaching PE.
 - Supporting and engaging the least active children through new or additional Change4Life clubs.
 - Paying for professional development opportunities for teachers in PE and sport.
 - Providing cover to release primary teachers for professional development in PE and sport.
 - Running sport competitions, or increasing pupils' participation in the School Games.
 - Buying quality assured professional development modules or materials for PE and sport.
 - Providing places for pupils on after school sports clubs and holiday clubs.
 - Pooling the additional funding with that of other local schools.

Accountability

Schools are held to account over how they spend their additional, ring-fenced funding. Ofsted will strengthen the coverage of PE and sport within the 'Inspectors' handbook' and supporting guidance so that both schools and inspectors know how sport and PE will be assessed in future as part of the school's overall provision.

Ofsted will carry out a survey reporting on the first year's expenditure of additional funding and its impact.

Schools are also required to include details of their provision of PE and sport on their website, alongside details of their broader curriculum, so that parents can compare sports provision between schools, both within and beyond the school day.

Details with regard to funding

Please complete the table below.

Total amount carried over from 2021/22	£0
Total amount allocated for 2021/22	£17,670
How much (if any) do you intend to carry over from this total fund into 2022/23	£0
Total amount allocated for 2022/23	£24,298
Total amount of funding for 2022/23. To be spent and reported on by 31st July 2023.	£17,670

Swimming Data

Please report on your Swimming Data below.

<p>Meeting national curriculum requirements for swimming and water safety.</p> <p>N.B. Complete this section to your best ability. For example you might have practised safe self-rescue techniques on dry land which you can then transfer to the pool when school swimming restarts.</p> <p>Due to exceptional circumstances priority should be given to ensuring that pupils can perform safe self rescue even if they do not fully meet the first two requirements of the NC programme of study</p>	<p>Upper KS2 children (Y5 and 6) swim and are assessed during summer term. This will be updated in July 2023</p>
<p>What percentage of your current Year 6 cohort swim competently, confidently and proficiently over a distance of at least 25 metres?</p> <p>N.B. Even though your pupils may swim in another year please report on their attainment on leaving primary school at the end of the summer term 2023.</p> <p>Please see note above</p>	59%
<p>What percentage of your current Year 6 cohort use a range of strokes effectively [for example, front crawl, backstroke and breaststroke]?</p>	76%
<p>What percentage of your current Year 6 cohort perform safe self-rescue in different water-based situations?</p>	80%

Radleys Primary School

Schools can choose to use the Primary PE and sport premium to provide additional provision for swimming but this must be for activity **over and above** the national curriculum requirements. Have you used it in this way?

Yes – Y5 and Y6 children receive a term of swimming tuition

Action Plan and Budget Tracking

Capture your intended annual spend against the 5 key indicators. Clarify the success criteria and evidence of impact that you intend to measure to evaluate for pupils today and for the future.

Academic Year: 2022/23	Total fund allocated: £24,298 (Employment of F/T Sports Coach)	Date Updated: April 2023		
Key indicator 1: The engagement of <u>all</u> pupils in regular physical activity – Chief Medical Officers guidelines recommend that primary school pupils undertake at least 30 minutes of physical activity a day in school				Percentage of total allocation: 137%
Intent	Implementation	Funding allocated:	Impact	
Your school focus should be clear what you want the pupils to know and be able to do and about what they need to learn and to consolidate through practice:	Make sure your actions to achieve are linked to your intentions:		Evidence of impact: what do pupils now know and what can they now do? What has changed?:	Review and Sustainability
To reintroduce after school sports clubs and opportunities	All children in school receive at least two hours of physical activity in school as part of our core offer. After school clubs provide an additional opportunity for children to increase this.	£24,298	40 children now attend x2 weekly additional after school sports clubs. There is also a waiting list for both days.	Clubs have been introduced x2 weekly (Mon and Fri) and 40 children participate regularly. However, the breadth of clubs and number of children participating now needs can be increased.
To provide ongoing quality PE CPD for staff	Employed a specialist, PE trained, sports coach to lead sessions and to team teach with staff to provide additional, in school ongoing CPD.		PE coach has led demonstration lesson/ CPD sessions for staff. Staff have reported that they are now feeling more confident to lead PE lessons.	There has been an improvement in staff confidence. However, this needs to be consolidated across all areas of the PE curriculum – particularly the teaching of incremental skill steps of individual skills.

Radleys Primary School

To deliver additional lunchtime sports activities for children across KS2 (PE coach)	A range of daily activities in zoned areas of the playground to engage and encourage children to further engage in physical activity beyond lessons through a range of planned team and solo physical activities		All children in KS2 now have access to additional adult-led, planned daily lunchtime activities to improve their general fitness and build resilience (learning to lose).	The range of activities provided now needs to be increased and the provision extended into KS1 to provide further opportunities for children to practice early key skills.
<p>Provisional next steps 2023-24:</p> <p>Key indicator 1: The engagement of <u>all</u> pupils in regular physical activity – Chief Medical Officers guidelines recommend that primary school pupils undertake at least 30 minutes of physical activity a day in school</p> <p>Key indicator 2: The engagement of <u>all</u> pupils in regular physical activity to promote positive health and wellbeing</p>				
To employ specialist PE teacher, rather than PE Coach to extend the professional development (CPD) offer for staff – specifically in terms of more effective PE planning and assessment.				
To provide daily after school clubs from Sept 2023 for KS1 and 2.				
To increase the number of children, particularly PP and disadvantaged children, participating in out-of-school sport/PE				

Radleys Primary School

To re-establish competitive sport beyond the school day to include inter-school competitions and leagues				
To increase home/school engagement in PE by introducing parental workshops and inspire sessions. This links directly to the School Development Plan.
